Re: MB Docket No. 02-52

Dear Ms. Dortch:

On April 18, 2003, Daniel L. Brenner and I met with Kyle Dixon, Barbara Esbin, Peggy Greene, Jamila Bess Johnson, Eric Bash, Peter Corea, and Alison Greenwald of the Commission's Media Bureau. We discussed issues and arguments set forth at length in NCTA's comments and ex parte letters in the above-referenced proceeding. In particular, we addressed and rebutted arguments raised by proponents of "forced access" and "network neutrality" requirements and provided the attached talking points.

Respectfully submitted,

/s/ **Michael S. Schooler**
